

NAHIN AHMED

Frontend Developer (MERN Stack) | React.js | Next.js | JavaScript (ES6+) | Tailwind CSS | Express.js | MongoDB

Dhaka, Bangladesh | +8801714333624 | nahinahmed113@gmail.com | [LinkedIn](#) | [GitHub](#) | [Portfolio](#) | [Codeforces](#) | [Codechef](#)

CAREER OBJECTIVE

Junior Frontend Developer with hands on MERN stack experience building responsive React/Next.js applications, REST API integrations, dashboard UI, authentication flows, and reusable components. Seeking a frontend/MERN role where I can ship clean user interfaces, improve performance and accessibility, and use AI tools responsibly for debugging, documentation, test-case planning, and faster delivery.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript ES6+, React.js, Next.js, React Router, Context API

UI / Styling: Tailwind CSS, DaisyUI, HeroUI, Framer Motion, responsive design, accessibility, SEO basics

Backend / MERN: Node.js, Express.js, MongoDB, REST API, CRUD, JWT, BetterAuth, server-side validation

Forms / Data: Fetch API, React Hook Form, pagination, filtering, search, protected routes, role-based UI, error handling

Tools / Deployment: Git, GitHub, Vercel, Netlify, Render, npm, Chrome, Figma-to-code, ESLint, Prettier, VS Code

AI Workflow: ChatGPT, Gemini, Claude, Cursor, prompt engineering, AI-assisted debugging, README writing, test-case generation

PRACTICAL EXPERIENCE

MERN Stack Developer Trainee - Programming Hero / Self-Led Projects

Jan 2025 - Present

- Completed project-based learning across JavaScript, React, Next.js, Node.js, Express.js, MongoDB, authentication, API integration, deployment, debugging, and Git workflow.
- Built and deployed 5+ frontend/full-stack projects with mobile-first layouts, reusable components, protected routes, REST API integration, clean README files, and version-controlled commits.
- Used AI tools as coding assistants for requirement breakdown, bug tracing, refactoring ideas, documentation drafts, and interview preparation while manually reviewing generated code before use.

PROJECTS

Petora - Pet Adoption Platform

[Client](#) | [Server](#) | [Live Site](#)

- Built a full-stack pet adoption platform with dynamic listings, real-time search and filter by species, age, and location, and a personalized user dashboard for managing pet listings with Add, Edit, and Delete functionality.
- Implemented an adoption request system with end-to-end status tracking (Pending / Approved / Rejected), giving both adopters and owners clear visibility over each request through dedicated dashboard views.
- Secured the platform with email/password and Google OAuth, JWT and JWK-based token verification, and protected routes to control access across user and owner flows.

Technologies: Next.js, Node.js, Express.js, MongoDB, JWT, Tailwind CSS, BetterAuth, HeroUI, Framer Motion

NexLearn - Online Learning Platform

[Client](#) | [Live Site](#)

- Built a course discovery and enrollment platform with category filtering, search by title, protected course detail pages accessible to authenticated users only, and skeleton loaders for smoother data fetching experience.
- Implemented email/password and Google OAuth authentication with profile management, photo update, and conditional navbar UI based on login state.
- Designed reusable components including a hero slider, popular courses section, instructor profiles, and toast notifications for a consistent user experience.

Technologies: Next.js, MongoDB, Tailwind CSS, BetterAuth, DaisyUI

EDUCATION

B.Sc. in Computer Science and Engineering

2023 - Present

Bangladesh University of Business and Technology (BUBT)

- CGPA : 3.38/4.00 | Relevant Coursework: Web Development, Database Management Systems, Software Engineering, Data Structures, Object-Oriented Programming, Computer Networks, Operating Systems.

CERTIFICATIONS

Complete Web Development with MERN Stack - Programming Hero, 2025

(In Progress)

EXTRA CURRICULAR ACTIVITIES

- Solved 300+ DSA problems across Codeforces, CodeChef, LeetCode, CSES, LightOJ and HackerRank
- Ranked 54th at BUBT Inter-University Collaborative Programming Contest (November 2025)
- Participated in ICPC Asia Dhaka Regional Preliminary - 3 consecutive years (2023, 2024, 2025)

SOFT SKILLS

Problem Solving | Self Learning | Technical Documentation | Team Communication | Feedback Handling | Deadline Ownership

LANGUAGES

Bangla - Native | English - Professional working proficiency, comfortable with technical documentation, email communication and team standups
